Objective

Adaptable computer engineering student with ability to learn new technologies and tools quickly. Eager to contribute to fast-moving technical environments and engineering teams by applying problem-solving skills. Seeking an internship in software development and computer engineering.

Education

Georgia Institute of Technology | Atlanta, GA *August 2025 – Present*
Bachelor of Science in Computer Engineering, GPA 3.78 Expected Graduation, May 2029

Skills

Programming: Java, Python, LaTeX
Communication: Design proposals, technical reports, instruction manuals, presentations (large and small audiences)
Languages: Italian (Native), English (Native), Spanish (Intermediate)
Other: XRF, Material Analysis, Research, Problem-solving, Data Analysis

Experience

Birla Carbon | Marietta, GA *January 2025 – April 2025*
Material Analyst Intern

- Conducted independent research on X-ray Fluorescence (XRF) spectrometer instrumentation, evaluating measurement accuracy against a combustion-based method.
- Collected and analyzed data on several oil samples to determine the sulfur content within the oils.
- Designed and documented a calibration procedure for the XRF spectrometer, and a method to repeat data collection for future analysis.

Projects

Robotics Lab | Intro to Computing *January 2026 – May 2026*
Individual and team-based project composed of 4 labs in which an iRobot Create 3 was programmed to do various tasks.

- Assigned 4 labs in which the robot was programmed to navigate a maze, self-park, and other tasks using iRobot specific python code utilizing the 7 infrared sensors of the robot.
- Received perfect scores across all labs with each task successfully completed.

Relevant Coursework

Mathematics: Linear Algebra, Multivariable Calculus, Differential Equations
Computer Science: Intro to Computing (Python)
Currently Enrolled: Digital System Design, Object Oriented Programming (Java), Discrete Math

Leadership or Activities

High School Band Leadership | Section Leader, Drum Major *June 2023 – Nov 2024*

- Led the trumpet section for a season of marching band, lasting several months.
- Conducted the band and led the band as drum major to win first place at regionals.

Highschool Physics Club | President/Founder *Aug 2024 – May 2025*

- Held bi-weekly meetings about physics and set up the physics club for following years.

AP Scholar with Distinction *2025*
Four-time Georgia All State on Trumpet *2021 – 2025*
Georgia All State Jazz on Trumpet *2025*

- One of five trumpets to perform at the Georgia Music Convention with the All-State Jazz band.
